## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

During the 2010-2011 school year, Gilbert Middle School received the State Department of Education's Palmetto Silver Award for academic achievement. This award acknowledges the hard work of our students and faculty.

We continue our efforts to improve the academic performance of our students. We strive to develop students with the 21st century skills needed to be productive citizens in our rapidly changing global society.

Our test and performance data indicate challenges in reading performance. Our goals for overcoming these challenges include the continuous improvement of student reading, comprehension and writing skills by providing challenging curricula to prepare students for rigorous high school work. Our teachers will work collaboratively to plan lessons and to continue to develop and implement the use of common assessments.

The preparation of our students to be independent, respectful and contributing citizens is a priority. During this school year, our students raised funds and other resources in support of several community service projects including Blue Star Mothers, Relay For Life, Lexington Interfaith Community Services and the Japanese relief effort. We were proud to be named the "Most Spirited" team for the second consecutive year at the annual Relay For Life event.

Students at GMS continue to excel in the areas of athletics and arts. Our athletic teams finished with outstanding season records while our band, orchestra and chorus received numerous honors at state and regional festivals. We are proud of the hard work of our teachers and coaches as they work to develop students who are accomplished not only academically but also in arts and athletics.

We would like to thank our community for its involvement in our school. We would also like to thank our Parent Teacher Organization and School Improvement Council for their support of the educational program here at Gilbert Middle.
